

ADDENDUM No. 02

BID NO. 013-13 PEST CONTROL 2013

The bid documents for this Bid shall be amended, revised and changed in the following particulars:

The Public Works Department has submitted answers to the following questions:

Question # 1: “The city bid ask for any person providing on-site service be licensed and maintain certification while the contract is in force. (Scope of Work, General Requirements #3). The State of Alabama requires for there to be a Certified Applicator in each office and all workers in that office works under there direct supervision of that certified applicator... My question is will you be requiring Lic. Tec's on site?”

Answer #1: No. Compliance with Alabama Department of Agriculture and Industries Administrative Code Chapter 80-10-9 Professional Service is required, including:

80-10-9 (38) “**Supervisor.** A person who has met the competency requirements in one or more categories of professional work or services and is qualified to supervise such work including work which shall involve use of pesticides.”

80-10-9 (39) “**Suboffice.** A place at an established location other than the main office or branch office having equipment and less than three employees directly engaged in structural pest control work from such location, which location must not be more than 100 road miles from the branch office or main office of the firm. It is not required that any employee of a suboffice be certified by the examining board for the structural pest control work performed from such office.”

80-10-9 (40) “**Supervision.** The act or process whereby professional work or services, including such work which shall involve use of pesticides, are made by a competent individual acting under the direction and control of a supervisor who is available when needed. The supervisor need not be physically present at the time and place that professional work or services are performed, including such work which shall involve use of pesticides, unless otherwise prescribed by the label or labeling of the pesticides being used or in other situations as is needed.”

Responders are to sign and include signed Addendum No.2. with submitted bid documents.
