

FEAB MEETING MINUTES
Friday February 12, 2016
3:00 PM
Delchamps Room

Attendees: Gary Gover, Terry Hargroder, Jeanine Normand, Tony Pritchett, Rick Frederick, and Ron Allen.

Honored Guest: Casi Callaway and Jamie Bulloch of Mobile Baykeeper

City Representative: Cynthia A Boothe, Building Department

MINUTES: Minutes from the January 9, 2016 meeting were approved.

Casi Callaway, Director of Mobile Baykeeper introduced Jamie Bulloch who is the Education and Outreach Coordinator and is involved with SWAMP (Strategic Watershed Awareness & Monitoring Program). Jamie spoke to the committee about her background before coming to work with Mobile Baykeeper and her plans for outreach to communities, organizations and schools about not only watershed education but also about career opportunities for those interested in environmental work. Casi Callaway then went over the different outreach opportunities they provide as well as the names of other organizations they work with and their educational programs. There was then a group discussion that touched on each person's areas of concern and possible solutions such as the litter and junk problem at the marina at the end of Sea Cliff Dr and the City's efforts to get it cleaned up. Also mentioned was the upcoming spring and the mosquito problems caused by standing water as well as all the recent building in the area that could cause drainage and other environmental problems if not properly managed. Casi Callaway ended by saying she would be glad to come and speak to the committee again or help with the committee's outreach to the community and schools about environmental issues.

There being no further business the meeting was adjourned at 4:00PM.
