Questions from potential bidders:

Question 1:

Page 1 ITB says that a bid bond is required and must be included in the package, however the instructions to bid page at the back end of the packet states the bid bond is WAIVED. So, I am to assume which one?

Answer 1:

Because there is a GRANT involved with this bid, the BID BOND is required. Please replace the Summary Page with the attached Summary Page rev1 page.

Responders are to sign and include signed Addendum No.1 with submitted bid documents.
