

ADDENDUM NO 01

CITY OF FAIRHOPE
To

BID NO.012-12

TRENCHING MACHINE WITH TRAILER

FOR GAS DEPARTMENT

The bid documents for this Bid shall be amended, revised and changed in the following particulars:

Answers from Steve Seay, Gas Superintendent, to questions raised by potential bidders.

Questions from potential bidders:

Question 1:

In the section of the bid specifications "Flexible trenching or plowing in one attachment" There is a requirement for a "front mounted bucket width --- 24 inches" Would the front mounted 24" bucket be a part of the plow / trencher attachment or is there another attachment on the front of the machine such as a backhoe that I might have missed? Thanks in advance for your help. If the answer is obvious please accept my apology in advance.

Answer 1:

24" backhoe attachment is on the front of the tractor
Trencher/plow is on the rear

Responders are to sign and include signed Addendum No.1 with submitted bid documents.

Acknowledged:
