In addition, non-residents of the State if a corporation, shall show evidence of having qualified with the Secretary of State to do business in the State of Alabama.

Forms furnished, or copies thereof, shall be used, and strict compliance with the requirements of the invitation, these instructions, and the instructions printed on the forms is necessary. Vendors must make their own estimates of the facilities and difficulties attending the performance of the proposed contract, including local conditions, uncertainty of weather, and all other contingencies. All designations and prices shall be fully and clearly set forth. The proper space in the quotation and guaranty forms shall be suitably filled in.

Fill in all blanks on the quotation form. Erasers or other changes must be explained or noted over the signature of the vendor.
The Quotation Form may have a Contingency Allowance listed. Add this amount to the Base Quote to derive the Total Quotation. The Contingency Allowance covers unforeseen conditions and shall not be used by the Contractor without the written authorization of the City of Fairhope. At the conclusion of the project, the unused portion of the Contingency Allowance shall revert to the City of Fairhope.

Each quotation must give the full business address of the vendor and must be signed by him with his usual signature. When requested by the City of Fairhope satisfactory evidence of the authority of the officer signing in behalf of the corporation shall be furnished.

Each project will be quoted separately unless otherwise expressly requested in the contract document. Combination quotations, that is quotations on separate projects lumped together as a single quotation, or on all or none basis, will not be accepted unless the contract document expressly requests or permits same.

If more than one quotation is offered by any one party, by or in a name of his clerk, partner, corporation in which he has a substantial interest, or in which he is an officer, or other person, all such bids may be rejected. A party who has quoted prices on materials to a vendor quoting is not thereby disqualified from quoting prices to other vendors quoting or from submitting a quotation directly for the materials or work. The City reserves the right to determine in its discretion whether the provisions of this clause have been violated by any vendor quoting.

1.18 ERRORS IN BIDS
Vendors, or their authorized agents are expected to examine the maps, drawings, specifications and all other instructions pertaining to the work, which will be open to their inspection. Failure to do so will be at the vendor’s own risk. In case of error, in the extension of prices, the unit price will govern.

During the performance of the contract, such business entity or employer shall participate in the Federal E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. The business entity or employer shall assure that these requirements are required of every subcontractor in accordance with Section 31-13-9(c) and shall maintain records that are available upon request by the City, state authorities or law enforcement to verify compliance with the requirements of the Alabama Immigration Act. Failure to comply with these requirements may result in breach of contract, termination of the contract or subcontract, and possibly suspension or revocation of business licenses and permits in accordance with Section 31-13-9(e)(1) & (2) or in the case of a subcontractor, in accordance with Section 31-13-9(f) (1) & (2).

2.01 Contracts Involving Subcontracting

“The Act also imposes requirements on subcontractors. It states that no subcontractor shall employ or continue to employ an unauthorized alien in the State of Alabama and that all subcontractors shall attest to the above by sworn affidavit signed before a notary. The subcontractor must also enroll in the Federal E-Verify Program prior to performing any work on the contract and shall attach to its sworn affidavit documentation establishing that the subcontractor is enrolled in the Federal E-Verify Program.
**The City** will not require contractors to submit the affidavits it acquires from its subcontractors. The proper affidavit for the contractor to acquire from its subcontractors is included herein in **AFFIDAVIT OF SUBCONTRACTOR**. **The City** considers these affidavits part of the contract documents and requires contractors to keep these affidavits on file and available for audit.

Under the Act, contractors can protect themselves from liability for violations of the Act by their direct subcontractors if they obtain the proper affidavits from their subcontractors. **AFFIDAVIT OF DIRECT SUBCONTRACTOR TO GIVE TO CONTRACTOR** sets out the proper affidavit for this purpose. **The City** does not require the contractor to obtain these affidavits from its subcontractors.
