RFQ 003-12

PROFESSIONAL CONSULTING SERVICES FOR SOLID WASTE STUDY
FOR THE PUBLIC WORKS DEPARTMENT

The documents for this RFQ shall be amended, revised and changed in the following particulars:

CHANGE:

THE OPENING DATE HAS BEEN CHANGED

FROM: TUESDAY, DECEMBER 6, 2011 AT 2:00 P.M.

TO: FRIDAY, DECEMBER 9, 2011 AT 2:00 P.M.

Questions from prospective vendors:

**Question 1**
The RFQ outlines that first respondents are to submit a Statement of Qualifications as required according to the details on page 5. Second, according to page 6, if selected, firms will be required to submit a technical approach and/or recommended program along with a fee schedule in a separate envelope. Is this the correct sequence or does the City want the technical approach and separate fee schedule submitted along with the SOQ?

**Answer 1**
Follow page 1, paragraph 5 instructions and submit “Fee Schedule” with “Sealed Proposal”.

**Question 2**
Page 1, paragraph 7, references regarding the insurance requirements “See specifications for details”. But there were no other specifications for insurance in the RFQ. Are insurance specifications available or is there a sample contract available that would outline insurance and other requirements?

**Answer 2**
See sample contract below.

**Question 3**
Page 1, paragraph 7, references that workers compensation is required on all employees. We are an owner-managed limited liability company and have no employees. We have been advised by our insurance agent that workers compensation is not available to us and cannot be purchased by us because we have no employees. We do have other commercial, general and professional liability insurance coverage. Assuming that our other insurance coverage meets the city specifications and that our company agrees to hold harmless provisions of a final agreement, will our SOQ be considered?
Answer 3
If your company is not allowed to carry Worker’s Compensation Insurance by Alabama State law, or Federal law, your firm will still be considered.

Question 4
Should the Fee Schedule be based on time and material or flat rate?

Answer 4
Traditionally, fee schedules list hourly rates for the various personnel, and material costs for, copying, etc…., and that is the format to use for this submittal. Submitters often elect to include flat rates for the entire project, and / or segments of the project.

Question 5
What is the City’s desired timeline for the completion of the services after an award is made?

Answer 5
The city would like the defined plan to be finished within three months….but the timeline can be lengthened depending on depth of findings and or public meeting schedules.

Question 6
The RFQ on page 4 and 5 outlines 11 items of experience that are required; however, the 11 items are not reflected in the RFQ evaluation form on page11. Will the SOQs be evaluated on the based on the 11 items on page 5 or the evaluation form on page 11?

Answer 6
Both

Question 7
As I understand from the RFQ the deadline for questions is 72 hours before the proposal opening time. If my calculations are correct that would mean the deadline for questions is Sunday, December 4th. Is this correct? If not, what day and time is the deadline for questions?

Answer 7
The deadline for submittal will be extended to 2:00 p.m., Friday, December 9, 2011. This will shift the 72 hour deadline for questions to 2:00 p.m., Tuesday, December 6, 2011.

Question 8
What is the day and time deadline for answers by the City to the RFQ questions?

Answer 8
No set deadline.

Question 9
What is the City’s budget or expected cost for the consulting work awarded as a result of the RFQ?

Answer 9
The council has no set budget, but the cost will depend on the scope of study each firm will be offering.
The following changes are to be made and inserted into the RFQ packet documents:

1. Insert:
   Insert attached sample contract (which includes insurance requirements) at end of RFQ packet documents.

NOTICE:

This will be posted on our website at: www.cofairhope.com.

Responders are to sign and include signed Addendum No.2 with submitted RFQ 003-12 documents.
