Historic Preservation Ordinance:

Historic Survey:

Harriet recently e-mailed Mr. Schneider about the progress of the survey. It is not yet complete. It is expected to be delivered, in both a 'hard copy' and 'electronic copy' format, to the Preservation Committee members by next month for their review before the final payment is made. Mr. Schneider has been paid a \$500 retainer leaving a balance of \$8,866 to be paid upon acceptance and completion. The Committee members can review the survey within a reasonable period of time before finalizing with Mr. Schneider.

The Bay Front, White Ave., city limits of Montrose, and Downtown Historic Districts will all be updated in the survey. To include Ingelside Ave. and south to the American Legion will be at an additional cost and possibly at a later date.

Jonathan Smith will test the compatability of the survey with the city's data base.

Alabama Community of Excellence (ACE):

The Committee members inquired about a final report on ACE. It is believed that Sherry Sullivan may know about the details.

Downtown Plaque Pamphlets:

Harriet & Sissy have delivered the remaining pamphlets to several downtown locations. Nall Printing has been asked to print an additional 5,000 with some minor changes. Harriet will proof-read before the final printing.

Treasury:

There is currently \$29,336.71 in the treasury.

Linda will update the Members List after the Committee members reviewed & revised the existing list. Rich will send the new list to Lisa Hanks for on-line recording.
