The burden is on the bidder to demonstrate that the item bid is equivalent to the item specified in the ITB. It is set forth to convey the general style, character, and quality of the item desired to the prospective bidder. Whenever the words “or approved equal” appear in the specifications, they shall be interpreted to mean an item of material or equipment similar to that named, which is approved by the City of Fairhope. The burden of proof that alternate brands are in fact equal or better falls on the bidder, and proof must be to the City of Fairhope’s satisfaction.

b. Substitute Offer: The bidder has the burden of demonstrating that a substitute offer is equivalent to and meets the standard of quality indicated by the brand name and number referenced.
