Answers from Gas Department

Questions and answers from the non-mandatory pre-bid meeting held March 2, 2011.

Question #1

Will the City require the mixing system, including the tank, to be mounted to the trailer before delivery?

Answer #1

Yes.

Question #2

What type of Locator?

Answer #2

A Digitrac F2, or equivalent.

Question #3

How many rods are to be included in bid?

Answer #3

To standardize the bid responses, all bidders should include fifty (50) rods in their bid pricing. Modification of standard rack size is not required.

Responders are to sign and include signed Addendum No.1 with submitted bid documents.
