ITEM VII

SCOPE OF WORK & SPECIFICATIONS

1. Frequency of Processing

(a) Assuming sludge production volumes remain between 290 and 1,500 dry metric tons annually, Contractor shall process municipal biosolids (“sludge”) at least once every calendar quarter at the City’s treatment plant. Contractor shall schedule its visits with the City’s superintendent or his assistant on dates acceptable to the City.

(b) Contractor shall convert the sludge into Class A/EQ material in full compliance with 40 CFR part 503. Bulk density shall be 70 lb./ft.. Total pathogen destruction shall be in accordance with EPA’s Class A requirements. Each and every particle shall be exposed to the same temperature for the same time as required by EPA. Regarding vector attraction reduction, the pH of the product shall be greater than 12 for more than 2 hours and greater than 11.5 for 22 hours prior to beneficial use. The processed sludge shall meet or exceed Class A EPA and DPNR standards.

(c) Contractor must submit to the City PFRP permits from EPA approving Contractor’s process as set forth above.

(d) Contractor shall retain an EPA-certified lab, approved by the City, to test the processed sludge for compliance with 40 CFR part 503, including monitoring for metals, pathogens, and vector attraction reduction. Prior to selection, the lab must provide satisfactory written assurances to Contractor and the City that its testing procedures fully comply with Part 503 and any related EPA regulations.

(e) Contractor shall be responsible for obtaining and providing to the selected lab samples of the processed sludge for testing. This will be done each quarter that the sludge is processed and prior to any disposal of the processed sludge off-site. Contractor will obtain written chain of custody reports regarding the samples which are signed by Contractor and the lab and which designate that the lab is to test for metals, pathogens and vector attraction reduction. All sampling shall be conducted in accordance with EPA guidelines, including Table 6-6 under Part 503. (See attached Ex. A here to.)

(f) Contractor shall immediately upon execution provide copies of the chain of custody reports to the City’s superintendent.

(g) Contractor shall instruct the lab to provide copies of all test reports and lab analyses to both Contractor and the City’s superintendent immediately upon completion.

(h) The lab shall invoice the Contractor, and Contractor shall pay the lab directly.

(i) The lab shall certify to Contractor and the City that all tests and analyses have been conducted in compliance with EPA guidelines, including Table 6-7 under Part 503. (See attached Ex. B hereto.)

(j) Contractor shall remove the processed sludge from the City’s treatment plant and shall dispose of it in full compliance with 40 CFR part 503.

2. Compensation. Subject to the terms hereof and the obligations of Contractor set forth herein, Contractor shall be compensated as follows:

Compensation shall be made within 30 days of receipt of invoice.
3. **Event of Default.** Each of the following shall constitute an event of default by Contractor (an “Event of default.”)

(a) failure to maintain the insurance that is required herein;

(b) failure to provide or furnish any information required under this Agreement to the City;

(c) any breach or violation of any law, statute, ordinance, rule or regulation relating to this Agreement;

(d) any failure by Contractor to comply with any of the provisions, terms or conditions of this Agreement;

(e) the occurrence of any event relating to the financial status of Contractor which may reasonably lead to the foreclosure or other judicial or non-judicial sale of all or any material part of the assets of Contractor;

(f) if Contractor shall make a general assignment for the benefit of creditors, shall become and be adjudicated insolvent, shall petition or apply to any tribunal for, or consent to, the appointment of, or taking possession by, a receiver, custodian, liquidator or trustee or similar official pursuant to state or local laws, ordinances or regulations of any substantial part of its property or assets;

(g) if a writ of attachment, execution, distraint, levy, possession or any similar process shall be issued by any tribunal against all or any material part of Contractor’s property or assets which is not released within sixty (60) days;

(h) if any creditor of Contractor petitions or applies to any tribunal for the appointment of; or taking possession by, a trustee, receiver, custodian, liquidator or similar official for Contractor or for any material parts of the property or assets of Contractor under the law of any jurisdiction, whether now or hereafter in effect, and a final order, judgment or decree is entered appointing any such trustee, receiver, custodian, liquidator or similar official, or approving the petition in any such proceeding; or

(i) any final order, judgment or decree is entered in any proceedings against Contractor decreeing the voluntary or involuntary dissolution of Contractor.

4. **Enforcement and Termination of Agreement.**

(a) **Notice of Event of Default.** In the event of the occurrence of an Event of Default, the City shall notify Contractor in writing of the Event of Default (the “Default Notice”).

(b) **Right to Cure or Respond.** Contractor shall, upon receipt of the Default Notice, immediately, and in any event within forty-eight (48) hours from receipt of the Default Notice, (the “Cure Period”) (a) respond to the City by contesting the assertion of the Default Notice, (b) cure such Event of Default, or (c) in the event that, by the nature of such Event of Default, such Event of Default cannot, for reasons beyond the control of Contractor, be cured within the Cure Period, initiate reasonable steps to remedy such Event of Default and notify the City of the steps being taken and the projected date that they will be completed; provided, however that in no event shall the Cure Period extend for in excess of thirty (30) days.
(b) Enforcement. In the event Contractor fails to remedy any Event of Default in accordance with this Agreement to the reasonable satisfaction of the City, the City may take any lawful action which it deems appropriate to enforce the City’s rights under this Agreement, including, but not limited to, pursuing any or all, of the following remedies:

1. Seek specific performance of any provision which reasonably lends itself to such a remedy;

2. Make a claim against any surety or performance bond which may be required to be posted;

3. Restrain by injunction any Event of Default or reasonably anticipated Event of Default;

4. Seek monetary damages arising out of any Event of Default;

5. Terminate this Agreement; or

6. Seek any other available remedy permitted by law or in equity.

(c) Attorney’s Fees. If the City is the prevailing party in any legal action in which the City seeks the enforcement of the terms of this Agreement, Contractor shall be responsible for any costs incurred by the City in such enforcement of this Agreement, including, but not limited to, reasonable attorney’s fees and court costs.

5. Insurance. Contractor shall maintain in full force and effect, at its own cost and expense, both for itself and for any contractors, subcontractors or third parties who are performing work on behalf of Contractor, broad form comprehensive general liability insurance coverage in the amount of $5,000,000 for bodily injury and property damage per person and $5,000,000 as to each occurrence and standard workers’ compensation and employers liability insurance providing coverage in an amount not less than that required by Alabama law. Such policies shall name the City as an additional insured and shall be in a form acceptable to the City. Contractor shall provide the City with certificates of insurance evidencing such coverage. An endorsement shall be included with such policy that states that the policies shall not be cancelled without giving thirty (30) days written notice of such cancellation to the City.

6. Indemnification. Contractor agrees to indemnify, defend and hold harmless the City, the City Council, the City’s Water and Sewer Superintendent, the City’s elected officials and its representatives, officers, agents, boards and employees (individually, an “Indemnified Party”) from and against any and all claims, costs, fines, losses, expenses (including attorney’s fees and other costs and expenses of litigation), demands, actions or causes of action, and any and all liability or damages which may be asserted against or incurred by an Indemnified Party arising out of, resulting from or relating to Contractor’s obligations under this Agreement. The indemnification by the Contractor shall apply to all damages, penalties, fines (including governmental fines) and claims of any kind, regardless of whether any insurance policy shall have been determined to be applicable to any such damages or claims for damages.

7. Notice. All notices and other communications hereunder shall be deemed sufficient and properly given if in writing and delivered in person to the following addresses or sent by overnight express or certified or registered mail, with charges and postage prepaid, to such addresses:

Any notice hereunder signed on behalf of the notifying party by a duly authorized attorney at law shall be valid and effective to the same extent as if signed by such party or on behalf of such party by a duly authorized officer, employee, agent or attorney.

8. Transfer or Assignment. Contractor’s interest in and obligations under this Agreement shall not be sold, transferred, assigned or otherwise encumbered or disposed of; either by forced or voluntary sale or otherwise, without the prior written consent of the City, which consent may be withheld in the sole and absolute discretion of the City.

9. No Waiver. The failure of the City to insist, in any one or more instances, upon strict performance of any of the requirements of this Agreement, or to exercise any option herein contained, shall not be construed as a waiver or a relinquishment for the future, of such requirement or option, but the same shall continue and remain in full force and effect.

10. No Agency. Notwithstanding any provision of this Agreement to the contrary, the City and Contractor do not intend to create hereby any joint venture, partnership, association taxable as a corporation, or other entity for the conduct of any business. Neither party shall have any right, power or authority pursuant to this Agreement to enter into any agreement or undertaking for, or act on behalf of, or to act as or be an agent or representative of; or to otherwise bind, the other party.

11. Contractor Responsible for Its Contractors, Etc. Contractor does hereby acknowledge and agree that it shall be solely responsible for any and all actions of its contractors, subcontractors, employees and agents and any other third parties performing work at the direction of Contractor.

12. Compliance with Law. Contractor shall at all times during the term hereof perform its obligations strictly in accordance with all applicable federal, state and local laws and regulations.

13. Governing Law. This Agreement shall be deemed to have been made in the State of Alabama and the validity of the same, its construction, interpretation, enforcement and the rights of the parties hereunder, shall be determined under, governed by and construed in accordance with the substantive laws of the State of Alabama, without giving effect to any choice of law provisions arising thereunder.

14. Severability Clause. If any part, section or subdivision of this Agreement shall be held unconstitutional or invalid for any reason, such holding shall not be construed to invalidate or impair the remainder of this Agreement, which shall continue in full force and effect notwithstanding such holding.

15. Entire Agreement. This Agreement constitutes the entire understanding between the parties with respect to the transaction contemplated herein, and all prior or contemporaneous oral agreements, understandings, representations and statements, and all prior written agreements, understandings, representations and statements are merged into this Agreement. Neither this Agreement nor any provisions hereof may be waived, modified, amended, discharged or terminated except in writing by the party against whom the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such writing.
16. **No Third-Party Beneficiaries.** This Agreement is for the benefit only of the parties hereto or their nominees, successors, beneficiaries and assignees and no other person or entity shall be entitled to rely on this Agreement, receive any benefit here from or enforce against any party to this Agreement any provision hereof.

    IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date first above written.
