Sealed proposals will be received by the City of Fairhope of Baldwin County, Alabama, in the City of Fairhope offices, 555 South Section St. Fairhope, Alabama, until 2:00P.M. December 13, 2010, and then publicly opened thereafter, for furnishing professional services required by the City of Fairhope and described as follows:

**PS003-11 PROFESSIONAL WATER TESTING SERVICES FOR MANDATORY EPA AND ADEM WATER TESTING**

Questions or comments pertaining to this proposal must be presented in writing, sent as e-mail or faxed to the attention of the Purchasing Manager, Daniel P. Ames, P.O. Drawer 429, 555 South Section St., Fairhope, AL 36532, e-mail: dan.ames@cofairhope.com, fax number: 251-990-0125, Seventy Two (72) hours prior to the proposal opening or will be forever waived.

All proposals must be on blank forms provided in the Proposal Documents.

The City of Fairhope is an Equal Opportunity Employer and requires that all contractors comply with the Equal Employment Opportunity laws and the provisions of the Contract Documents in this regard. The City also encourages and supports the utilization of Minority Business Enterprises on this and all public proposals.

All proposals, with their guarantee (when required), must be enclosed in a sealed, opaque envelope, clearly identified on the outside as a “Sealed Proposal” with Item Name, Proposal Number, City of Fairhope's Name and Address and Bidder's Name and Address. Each proposal must be in a separate envelope. Proposals made out in pencil will not be accepted.

Failure to observe the instructions contained herein will constitute grounds for rejection of your proposal. The City reserves the right to accept or reject all proposals or any portion thereof whichever is in the best interest of the City of Fairhope.

The company that is awarded the proposal must have Workman’s Compensation Insurance on all of its employees if work is done on City premises. General Liability Insurance must be maintained to hold the City harmless in the event of an accident. Proof of Workman’s Compensation Insurance if work is done on City premises and General Liability Insurance specifying coverage must accompany this proposal packet. See specifications for details.

No proposals will be considered unless the vendor, whether resident or non-resident of Alabama, is properly qualified to submit a proposal for this type of work in accordance with all applicable laws of the State of Alabama. Where applicable, this shall include evidence of holding a current license from the State Licensing board for General Contractors, Montgomery, Alabama, as required by Chapter 8 of Title 34, of the Code of Alabama, 1975. In addition, non-residents of the State if a corporation, shall show evidence of having qualified with the Secretary of State to do business in the State of Alabama.

CITY OF FAIRHOPE
REQUEST FOR QUALIFICATIONS (RFQ)
Relating to

Professional Water Testing Services for Mandatory EPA and ADEM Water Testing
City of Fairhope Water & Sewer Departments

Background
The City of Fairhope, Al is located in Baldwin County Al., on the shore of Mobile Bay. The City of Fairhope is having performed mandatory testing of its water system.

Purpose
The Request for Qualifications (RFQ) is issued as contained in this document. The City of Fairhope, Alabama (City) is soliciting written proposals from professional water testing firms interested in providing professional water testing services for the mandatory water testing. The City also reserves the right to select more than one professional water testing firm. Attached to the back of this RFP is a sample agreement that the successful proposers will be requested to execute.

Location / Layout
City of Fairhope Water Treatment Facilities, Fairhope, Alabama 36532 . The Water facilities are in various locations. Specific locations will be detailed to awarded firm.

Scope of Work
The City is seeking an experienced consultant who will provide the professional services required to complete this project.

The overall objectives are:

Testing water quality for meeting EPA and ADEM mandated regulations, during the current calendar year.
Consultant shall provide, but not limited to, Volatile Organic Compounds (VOC’s), Synthetic Organic Compounds (SOC’s), Inorganic Compounds (IOC’s), and radiological testing
Consultant shall provide all mandated reports to the City and requesting agencies in a timely manner sufficient to meet all agency reporting deadlines.

The reporting media shall be US Postal Service, electronic mail (e-mail, pdf format), and posted to regulating agency websites where required.

There will be a mutually agreed expedient schedule for this work and all deliverables.

**Time Line**

1. The City shall request from selected firms (minimum of three, if possible) for each project that they submit a technical approach or project understanding, scope of services, and other details the City will use to evaluate and select the firm the City determines to be most qualified for specific projects. Interviews or decisions may be required during evaluation of technical proposals.

2. A committee of six (6) consisting of the Mayor, City Administrator, Purchasing Manager, Electric Superintendent, and one (1) member of City Council, and the Superintendent of the Water & Sewer Department will evaluate and rank the design professionals the committee feels are most qualified to provide the required service(s).

3. The City shall then negotiate a contract with the firm ranked by the City as most qualified.

4. Should the City not be able to negotiate a contract with the firm ranked most qualified then the City shall terminate the negotiations and enter into negotiations with the next most qualified firm. This negotiation process may continue and be repeated until the City is able to successfully negotiate a contract.

5. This procedure may also be suspended when the City Council determines an emergency exists.

6. Qualifications of any sub-consultant(s) used to obtain qualification in the various areas are to be included in the firm's statement of qualifications.

7. Upon final RFQ submittal and review by the City of Fairhope, the Fairhope City Council will award the contract.
Request for Qualifications

Ten (10) copies of the proposal must be submitted by the deadline. These copies will be provided to the City of Fairhope for review and recommendation to the City of Fairhope City Council.

Format

Statement of Qualifications should include, but is not limited to, the following:

1) Cover letter and letter of interest (LOI) identifying the projects for which the firm is requesting consideration. List (ten) water testing projects of similar nature to scope of work, include references. It shall be vitally important to highlight any and all projects the firm has managed relating specifically to water testing to meet mandatory requirements.

2) Name of firm, address and telephone number. A primary contact with phone number and email shall also be provided.

3) Names, qualifications, and experience of a principal/owner (contractual authority), a water testing and key personnel manager (Task Manager) who would be assigned to the City of Fairhope water testing project. This information should include but not be limited to the following for each individual (a one page limit for each).

   a) Number and type of projects in which each individual has been involved (no project should be more than 5 years old). Include reference contact information.

   b) Key personnel are defined as professionals, heavily experienced in water testing to meet government requirements, and any other applicable resources related to projects of this nature. The focus should be to highlight those personnel with expertise in water testing to meet mandatory requirements.

5) Number and composition of staff that is readily available for City of Fairhope projects, including a table of organization by name to key personnel. Composition of staff should be broken into professional, and technical. Description of the firm's ability to generally respond to the City's project needs.

6) Name of responsible firm member and a Project Manager. It is the City's expectation that this individual will be available to manage any project for which the firm may be selected. The only acceptable reason for this person to not be available for a Fairhope contract is the individual is no longer with the firm. It is the testing firms' responsibility to advise the City of any changes in this individual's ability to be available for a Fairhope contract.
7) A statement detailing the firm’s Quality Assurance Program.

8) All necessary information required of the attached CITY OF FAIRHOPE: EXHIBIT A: QUALIFICATION STATEMENT EVALUATION.

Selection Procedure

The selection of the Consultant will be completed by the City of Fairhope City Council at a regular Council meeting. Preliminary review will be performed in compliance with the City Council approved selection procedure, by the selection committee. The awarded firm will be selected without regard to race, color, religion, sex, or national origin. The committee will recommend to the Fairhope City Council the firm that scores the highest in the evaluation process. The Committee will conduct interviews with the top (up to) five (5) scoring firms, prior to a final recommendation. The Fairhope City Council reserves the right to interview selected firm(s) prior to making a final decision. The Council will authorize the Mayor to proceed with executing a contract with their selected firm.

Notification

The City of Fairhope will not be responsible for costs incurred by anyone in the submittal of proposals or for any cost incurred prior to contract execution; The Request for Qualifications is not to be construed as a contract or as a commitment of any kind;

All responses shall be held confidential from other parties by the City to the extent allowable by law. However, confidential or sensitive information should not be included if the applicant wants to protect that information;

The use of subcontractors as described by the Consultant in the Request for Qualifications and subsequent approved and signed contract with the City of Fairhope is allowed in this project;

The selected Consultant is responsible for billing and paying of any subcontractors they employ on the project; The selected Consultant is responsible for insurance requirements;

The City of Fairhope reserves the sole right to: 1) evaluate the qualifications submitted; 2) waive any irregularities within; 3) select candidates for the submittal of more detailed qualifications and presentation; 4) accept any submittal or portion of a submittal; and/or 5) reject any or all submittals, solely at its discretion.

Set No. ______
CONTRACT FOR PROFESSIONAL ENGINEERING SERVICES

THIS CONTRACT, made and entered into this ______ day of ____________, 20____, by and between the City of Fairhope, Alabama (hereinafter called "CITY") acting by and through its governing body, the FAIRHOPE CITY COUNCIL, and of __________, Alabama (hereinafter called the "TESTING LABORATORY"),

W I T N E S S E T H:

That in consideration of the mutual covenants and agreements herein contained, the parties hereto do mutually agree as follows:

1.0 DEFINITIONS:
The following terms shall have the following meanings:

COUNTY: Baldwin County, Alabama
CITY: Fairhope, Alabama
PROJECT: Professional laboratory services required for testing water quality for meeting EPA and ADEM mandated regulations

PART ONE

GENERAL CONDITIONS

1.1. The CITY hereby employs the TESTING LABORATORY and the TESTING LABORATORY agrees to perform for the CITY those professional services as hereinafter set forth in connection with the following:

PROJECT NUMBER: W001-11
PROJECT NAME: MANDATORY EPA AND ADEM WATER TESTING
PROJECT INFORMATION: Testing water quality for meeting EPA and ADEM mandated regulations, during the current calendar year.

1.2. The TESTING LABORATORY will begin work on the professional services outlined herein upon execution of the Contract and shall pursue the work in a timely manner.
1.3. For the purpose of this contract, the TESTING LABORATORY represents to the CITY that it possesses the professional, technical, and administrative personnel with the specific experience and training necessary to provide the services as may be required by the CITY. Furthermore, the TESTING LABORATORY will meet all current licensing and certifications necessary to perform the scope of work including all EPA and ADEM requirements.

PART TWO
PROJECT SCOPE

2.0 Testing water quality for meeting EPA and ADEM mandated regulations, during the current calendar year.

2.1 TESTING LABORATORY shall provide, but not limited to, Volatile Organic Compounds (VOC’s), Synthetic Organic Compounds (SOC’s), Inorganic Compounds (IOC’s), and radiological testing.

2.2 TESTING LABORATORY shall provide all mandated reports to the City and requesting agencies in a timely manner sufficient to meet all agency reporting deadlines.

2.3 The reporting media shall be US Postal Service and electronic mail (e-mail, pdf format).

PART THREE
PAYMENT

3.0. The CITY agrees to pay the TESTING LABORATORY as compensation for such professional services in accordance with the rates as indicated on Exhibit “A” attached to this document.

3.1. All other expenses actually and necessarily incurred such as, but not limited to, telephone calls, extra reproductions of prints or photographs of drawings, specifications and other documents required for the proper execution of the extra services so required by the CITY shall be paid for at cost. These payments shall be due and payable from time to time as the services are performed, or as the expenses are incurred.

3.2. If this PROJECT is suspended or abandoned by the CITY for good cause other than under the provisions of Paragraph D hereunder, or for cause beyond the reasonable control of the CITY, then the CITY shall pay the TESTING LABORATORY for the services theretofore rendered on the PROJECT, such payment to be based as far as possible on the fee as established in this
agreement, and the portion of the TESTING LABORATORY’s services which were completed before the PROJECT was suspended or abandoned.

3.3. In the event of failure by the TESTING LABORATORY to perform any and/or all of the TESTING LABORATORY’s obligations in a prompt and efficient manner satisfactory to the CITY, the CITY will have the right to summarily terminate this agreement by giving the TESTING LABORATORY written notice of such termination, after which the CITY may employ professional TESTING LABORATORY services of its choice to complete the PROJECT and the TESTING LABORATORY will reimburse the CITY any additional costs which may result for such termination and employment of other professional TESTING LABORATORY services. Failure by the TESTING LABORATORY to furnish the required services, or to perform any other specific duty required by this contract shall constitute cause for termination by the CITY under this provision. Failure by the CITY to exercise this right to so terminate this agreement for any such default by the TESTING LABORATORY shall not constitute a waiver by the CITY of its right to so terminate this contract for any subsequent default.

PART FOUR
INDEMNIFICATION AND INSURANCE

The TESTING LABORATORY shall be responsible for all damage to life and property due to activities of the TESTING LABORATORY and the subconsultant, agents or employees of TESTING LABORATORY in connection with their service under this AGREEMENT. The TESTING LABORATORY specifically agrees that the subcontractors, agents, or employees of TESTING LABORATORY shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform. Further, it is understood and agreed by TESTING LABORATORY to the fullest extent permitted by law, the TESTING LABORATORY shall defend, indemnify and hold harmless the CITY, and its agents and employees from and against claims, damages, losses and expenses, including but not limited to attorneys’ fees, arising out of or resulting from performance of the work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including loss of use resulting there from, but only to the extent caused in whole or in part by the negligent acts or omissions of the TESTING LABORATORY or anyone directly or indirectly employed by TESTING LABORATORY or anyone for whose acts TESTING LABORATORY may be liable. Such indemnity shall not be limited by reason of any insurance coverage provided. The TESTING LABORATORY, at its sole expense, shall obtain and maintain in force the following insurance to protect the TESTING LABORATORY and the CITY for all acts performed pursuant to this agreement. The limits and coverage specified are the minimum to be maintained and are not intended to represent the correct insurance needed to fully protect the TESTING LABORATORY. All insurance will be provided by insurers licensed to conduct business in the State of Alabama and shall have a minimum A.M. Best rating of A-VII and must
be acceptable to the CITY. Self-insured plans and/or group funds not having an A.M. Best rating must be submitted to the CITY for prior approval.

NO WORK IS TO BE PERFORMED UNTIL PROOF OF COMPLIANCE WITH THE INSURANCE REQUIREMENTS HAS BEEN RECEIVED BY THE CITY.

The project number on which the TESTING LABORATORY is working must be included in the description section of the certificate.

PART FIVE
REVIEWS AND SUBMITTALS

The CITY will review all submittals made during the contract period. The purpose and scope of this review will be limited to determination of the work for the sole purpose of approving intermediate payments to the TESTING LABORATORY and to otherwise determine contract compliance for the purpose of approving fee requests and determining the PROJECT costs. The CITY is relying on the skill, care, experience, diligence and professional expertise of the TESTING LABORATORY to perform the required work with the degree of care and skill ordinarily used by members of the TESTING LABORATORY profession in this locality. It is not the intent nor is it the responsibility of the CITY to exercise independent water testing judgment or to verify the calculations, assumptions, and water testing judgment employed by the TESTING LABORATORY.

PART SIX

6.0. This Contract shall be effective on the date of its execution.
6.1. The CITY and the TESTING LABORATORY each binds itself, its successors and assigns, to all covenants of this agreement. Except as above, neither the CITY nor the TESTING LABORATORY shall assign, sublet or transfer his or its interest in this agreement without the written consent of the other party hereto and concurrence therein.

IN WITNESS WHEREOF, the parties hereto have executed this contract in triplicate on the day and year first above written.
