SUBJECT	DISCUSSION	ACTIONS
Meeting called to order at 4:45 pm Public Library		
Akribos Consulting Group presented their proposal to Coff RFQ for Education Study	<p>See questions below that were directed at Akribos following presentation. (Will ask the same questions of Evergreen consulting for their consideration as well.)</p> <p>-----</p> <ol style="list-style-type: none"> 1.) Given the proposal, what is a realistic time frame for completion of study? 2.) Will you have the most recent academic data to reference? 3.) How will you determine criteria for academic Top 10? 4.) What do other top 10 schools offer that we do not? 5.) Should we exclude magnet schools from our study? Do they compare to the average public school for this studies sake? 6.) What would impact be from a 'major" storm considering the sales tax? 7.) What important academic offering could be left out/added with each funding scenario? 8.) How does multi- family housing impact property taxes vs individual homes. 9.) Do you have any experience with systems containing a special tax district? If so, can you describe the level of cooperation with spending authority? 10.) Can you break down the approximate cost per household that each of the three options would require to achieve academic top 10 status? 	
Dan Ames, purchasing manager, Coff asked that we be in attendance on 12/16 to listen to Evergreen consulting and to ask the same questions. Following their presentation, we will vote on merit of two groups and make recommendation to the City Council/Mayor on 12/28.		In the absence of Cobby, Kerry will circulate minutes and questions for consultants prior to next meeting.
